My Dear Brothers in Christ!

Greetings!

“Any work done with a selfless intent becomes God’s work. The revered

legends that we know became one such only after they identified themselves with a cause larger than themselves. There is a great saying by Michael Morpurgo “*It is the teacher that makes the difference not the classroom*”. We celebrate the “Teachers Day” on 5th September in remembrance of Dr. Radhakrishnan, the second President of India, himself a teacher. He valued his profession as a teacher more than anything else. I wish all the teaching Brothers and all the teaching faculty who are working in our Schools all the best in all their present and future endeavours. Because, the teachers alone can make a difference and enkindle the burning zeal in the hearts and minds of the children.

We are aware of the fact that after several months of remote teaching and learning, the safe return our students and teachers to schools is much awaited on 1st September. I earnestly seek the attention of the Heads of the

NATIVITY OF MOTHER MARY

Angelo.com wishes everyone on the Nativity of Mother Mary which is also the Annual Fiesta of our Lady of Good Health, Vailankanni. May Our Lady bless every one of us with good health.

Angelo.com wishes all the teaching Brothers and all the teachers working in our institutions a very happy Teachers Day.

schools to secure the campus with maximum safety measures and follow the protocol given by the District Education Office and the health department. I would recommend all the concerned department Heads to send guidelines in this regard to the parents and teachers.

Our Catholic Church solemnly celebrates the Nativity of the Blessed Virgin Mary on 8th September which is the annual festival of the Basilica of Our Lady of Good Health, Velankanni and is celebrated in a very grand manner. The Catholic Church celebrates the birthday of only three persons – Birth of Lord Jesus, Mother Mary and St. John the Baptist. Usually, our Mother Church celebrates only the feast days but these three are exceptional. Why they are exceptional? Because, their birth history is unique. Mary was born without original sin for which we have a dogma called Immaculate Conception, the feast of which is celebrated on 8th December every year. The dogma states that Mary mother of Jesus had been free of original sin from the moment of conception. Mary was the first born in the heart of God. God had thought about it from eternity. When the first parents sinned, Mary became the part of the salvific plan of God. St. Augustine says “God began his savings work at the birth of Mary. She, through her birth, unites heaven and earth. The weakness of the human nature and the redeeming grace of God encountered in her. Mary’s birth unfolds God’s purpose for humanity and its destiny”. Let us approach our Mother Mary confidently as sons and daughters and seek her intercession now and always. Let us take our steps towards our Divine Master Jesus Christ holding the hands of our Mother Mary.

We have another important day this month, that is, the birth anniversary of our founder, the Servant of God, Fr. Adrian Caussanel SJ on 27th September. A man of vision and enterprises, always God centred and justice oriented. He was always found in the chapel kneeling in front of the Blessed Sacrament. Let us celebrate our founder’s birthday by imbibing his virtues of simplicity, humility, love of prayer, love of service. His mission was inspired by divine principles and priority for the poor, destitute and marginalized. We are proud to have him as our founder and praise God for he soon will be included in the company of the Saints. As we commemorate his birth anniversary, let us surrender the entire Institute into his care and guidance and pray to him that he tends his little flock and lead us to a promising future. Let us earnestly pray that he may be elevated to the altar of veneration as early as possible.

I wish all the Brothers who celebrate their birthdays and feast days. May the Good Lord keep you safe and sound.

Let us also pray for our departed Brothers who entered into eternal bliss in the month of August.

With kind regards

Yours Fraternally,

Br. A. Backianathan, SHJ
